

Brierley Forest Golf Club

BUGGY SAFETY POLICY 2024

Use of Ride-on Buggies on the Golf Course

Introduction

The purpose of this document is to establish a standard for the safe operation of all ride-on buggies operated on the Course at Brierley Forest Golf Club. The document also sets down the criteria to be adopted and conditions to be met for their use.

The Club has a number of buggies available for hire and they can be booked in advance, by telephoning the clubhouse on 01623 550761 or online via [Brierley Forest](#). Any booking is subject to restrictions that may be imposed owing to the condition of the Course. No guarantee can be given that a buggy will be available unless it has been pre-booked.

Qualifications:

In normal conditions, there is no restriction. In some circumstances, however it may be necessary to restrict their use.

Use of a ride-on buggy will not be allowed unless authorised. Any person who operates a ride-on buggy on the Golf Course is deemed by so doing, to have the knowledge, training, and skill to safely operate the vehicle and be **fully accountable** for their actions and the consequences thereof.

The safe operation of ride-on buggies on the Course requires conscientious application and adherence to the minimum standard of care prescribed by this policy.

The management & staff reserves the right to refuse permission if some or all of the conditions stipulated are not met. They also reserve the right to withdraw authorisation of a buggy at a disabled rate if the medical condition or disability necessitating the use of a ride-on buggy ceases, or, the conditions for its use are not fully met.

Buggy Restrictions

The Club staff may determine that the state of the Course or the weather is such that safety on or the condition of the Course may be unacceptably compromised if a ride-on buggy is used. This might apply to the whole or just part of the Course. Potentially unsuitable conditions include water logging, frost, etc. Where such conditions arise, the Club's staff will review the situation on at least a twice-daily basis. When access is restricted, disabled golfers will be permitted to use a Buggy where possible as part of The Equality Act 2010. Disabled golfers are advised to check the Course status before their visit and sometimes a copy of their third-party liability insurance may be requested and in cases may be refused access to the Course.

Golf Buggy Safety Policy

The Club has a duty of care to all users of the golf Course. The topography of certain areas of the Course is such that caution, and prudence must be shown by the user of a ride-on buggy. It is also necessary for the Club to provide adequately safe means of access for all golfers including those given permission to use buggies. Moreover, the Club must ensure the safety of golfers who do not wish to use ride-on buggies but who might be at risk from a mechanically defective ride-on buggy or its careless use.

To assist the safe employment of ride-on buggies all potential users (members, visitors, and guests) shall comply with the following conditions:

1. Ride-on buggies on Brierley Forest Golf Club property are only for the use of members, green fee-paying visitors, entrants in competitions or other person so authorised by either the Management or staff.
2. Ride-on buggies must be operated with the utmost courtesy, care and consideration for the safety and convenience of pedestrians. Pedestrians must be always afforded the right-of-way.
3. The signs and instructions employed on the Course to warn buggy riders of potential danger areas or, areas forbidden to ride-on buggies because of concerns about danger or, the potential to cause unacceptable wear and tear to the Course, must be always followed.
4. Ride-on buggies must be operated and parked in such a manner that they do not impede or interfere with normal pedestrian on public pathways.
5. Ride-on buggy operators will be responsible for the security of the buggy for the period that the buggy is on the property owned by the Club.
6. Brierley Forest Golf Club has no responsibility for ensuring the safe operation of ride-on buggies on or beyond the confines of the Course and the club car-parks other than those operated by their servants or agents. The Club will accept no responsibility for any loss or damage caused to any property other than that arising from the negligent use of a ride-on buggy by their servants or agents.
7. No ride-on buggy will be operated more than what is safe in the circumstances. All speed limits must be observed. When the ground is wet, muddy, or negotiating narrow bridges or routes, the maximum permissible speed is walking pace. Operators must however ensure that they drive at the appropriate speed and in the appropriate manner for the prevailing conditions.
8. The consumption of alcohol and/or the improper use of drugs are not permitted when using the ride-on buggy.
9. If in the opinion of the Management or staff a person is in an unfit condition to use a buggy; he/she has the authority to immediately prohibit any such person from using or being carried on a ride-on buggy. A written report will be submitted to the Clubs Board. Application for reinstatement of permission can only be made to the management & committee.
