

## The Sheppard Open 5th Edition

We are back for the 2023 edition of The Sheppard Open! This year will be bigger & better than ever! We are expanding the field to a maximum of 72 players with a shotgun start.

Once again, all money raised is being donated to Prostate Cancer UK. 1 in 8 men in the UK will get Prostate Cancer with 1 man dying every 45 minutes. Possibly even more concerning is that most do not show any symptoms in the early stages.

We've raised £2,257.62 over the last 2 years which wouldn't be possible without your support. A huge thank you to everyone who has & continues to support this worthy cause!
