Captain's Message

A warm welcome to a new season at Brierley Forest Golf Club. Following our outgoing Captain Derek Gillings 'a seasoned campaigner' will be difficult, but I am up for the challenge. The encouragement from the committee, management and members has already been overwhelming.

2023 – 2024 has been yet another demanding year due to extreme weather conditions. Therefore, I must congratulate Derek in raising over £4000 for his chosen charity, Reach. My charity this year will be Young Minds who specialise in supporting children and young adults with mental health issues. I hope you can continue your generous support.

I must also congratulate the management, staff, and green staff for their studious hard

work in testing times. Funds are not extensive, but improvements in drainage, paths and the felling of diseased trees have all been undertaken. No doubt more improvements will follow.

As a novice Captain, I am also willing to add a few more golf and social events to the Captain's calendar. My away day is at Dore and Topley on Friday 31st of May and the home day is Saturday 13th of July. As well as the Captain V Vice Captain and the usual Bank Holiday competitions, there will be a Captains fiddle on a Thursday evening in August.

To complement the already established Golf Presentation nights, Halloween, Christmas, and New Year parties, if there is enough interest, I will be holding a Grand National sweep and a trip to LIV Golf at the JLB Course in July. In the winter months, a trip to the Dogs

and a Golf Quiz. And don't forget the Euros –
'Come on England!'

Hopefully, you can support me and my charity
in all or some of the above events. Then we
can keep building the legacy of Brierley Forest
Golf Club.

See you all on the course or in the clubhouse.
